How AI is Changing Higher Ed

Will Be Held Virtually On:
Friday, September 29, 2023
9am-10:30am

What is it?

The Arizona Chapter of the National Organization for Student Success is hosting a FREE virtual hot topics conference where higher ed faculty and staff can collaborate and discuss the increasing use of artificial intelligence on college campuses. Panelists will discuss the pros/cons of this new technology as well as discuss best practices going forward.

Conference Schedule:

Panel Presentation/Discussion
Breakout Sessions with Q&A
Final thoughts/Wrap-up

Register for February's NOSS
Conference in Las Vegas, NV
